U.S. GOVERNMENT RESTRICTED RIGHTS. XDBview is deemed to be commercial computer software as defined in FAR 12.212 and subject to restricted rights as defined in FAR Section 52.227-19 "Commercial Computer Software License", as applicable, and any successor regulations. Any use, modification, reproduction release, performance, display or disclosure of the Licensed Software by the U.S. Government shall be solely in accordance with the terms set forth below:

Permission to use, copy and distribute XDBview (the "Software") and its documentation for any purpose and without fee is hereby granted, provided that you agree to the following:

1. Installation and copying of the Software

You are permitted to install the Software and make backup copies of the software. You may make copies of the original ZIP archive containing the Software and give copies of this archive to others. You may not give copies of the Software to others if it is not contained in the original ZIP archive. You are permitted to place the original ZIP archive within another archive for convenience in providing to others.

2. Ownership and trademarks

The Software and its contents are trade secrets of Intelligent Light and its licensors. The Software is owned by Intelligent Light and its licensors and is protected by copyright law. You may use our trademarks only as they appear in output from the program and any such use must also identify the trademark owner as Intelligent Light. No other rights to the intellectual property of the software are granted by this Agreement.

3. Limitations

You may not reverse engineer, decompile, or disassemble the software, data files or any components, except and only to the extent that such activity is expressly permitted by applicable law notwithstanding this limitation. You may copy and use the Software only in its entirety and you may not create any derivatives of the Software. You agree that the Software will not be shipped, transferred or exported into any country or used in any manner prohibited by the United States Export Administration Act or any other applicable export control law, restriction or regulation. You may not resell, remarket, bundle with other products or in any way charge a fee for its use.

4. No Warranty

This software is provided 'as-is', without any express or implied warranty. In no event will Intelligent Light and its Licensors be held liable for any damages of any kind arising from the use of this software.

5. Government End Users

If this product is acquired under the terms of a GSA contract -- Use, reproduction or disclosure is subject to the restrictions set forth in the applicable ADP Schedule contract; DOD contract -- Use, duplication or disclosure by the Government is subject to restrictions as set forth in subparagraph (c)(1)(ii) of 252.227-7013; Civilian agency contract -- Use, reproduction or disclosure is subject to 52.227-19(a) through (d) and restrictions set forth in the accompanying end user agreement.

6. General Terms

If any part of this Agreement is found to be void and unenforceable, it will not affect the validity of the balance of the Agreement, which shall remain valid and enforceable according to its terms. This Agreement shall automatically terminate upon failure by you to comply with its terms. This Agreement may only be modified in writing by Intelligent Light.
